

**NADMAS                  Consent Form**

Dear Member

On 25th May 2018 new GENERAL DATA PROTECTION REGULATIONS will come into force to which we as a club, Newbury and District Model Aircraft Society (NADMAS), must comply.

The main difference from the already existing regulations is the requirement that holders of personal information should declare the use they make of such information, how it is processed, with whom it is shared (if applicable) and the length of time for which it is kept.

NADMAS' Privacy Policy is published on our web site [www.NADMAS.org.uk](http://www.NADMAS.org.uk) and the British Model Flying Association (BMFA) publish theirs on the web site [www.bmfa.org/Privacy-Policy](http://www.bmfa.org/Privacy-Policy).

The regulations also require that we obtain your specific consent to hold and collect your personal information and use it as we do.

When you joined the club you completed an application form which implied consent but we must now obtain your specific consent.

Do you still consent to NADMAS holding and using your information for the purposes of Administration and communications?

*If you answer 'no' to this question NADMAS will be unable to fulfil its obligations to you and your membership will be forfeit.*
